Na li you cai hong gao su wo
Tell me where the rainbow is

Neng bu neng ba wo de yuan wang huan gei wo
Could you still give me back my wish

Wei shen me tian zhe me an jing
Why is the sky so silent?

Suo you de yun dou pao dao wo zhe li
All of the clouds are running to me

You mei you kou zhao yi ge gei wo
Is there a mask for me?

Shi huai shuo le tai duo jiu cheng zhen bu liao
Recalling too much of the past words can accomplish
nothing

Ye xu shi jian shi yi zhong jie yao
Perhaps time is a kind of antidote

Ye shi wo xian zai zheng fu xia de du yao
And also the first poison I'm taking now

Kan bu jian ni de xiao wo zen me shui de zhao
I could not see your smile, how can I sleep well

Ni de shen ying zhe me jing wo que bao bu dao
Your silhouette is so close to me, yet I cannot embrace
it

Mei you di qiu tai yang hai shi hui rao
Without earth, the sun can still circle around

Mei you li you wo ye neng zi ji zou
Without reasons, I also can walk alone

Ni yao li kai wo zhi dao hen jian dan
You want to go away, I know that is very easy

Ni shuo yi lai shi wo men de zu ai

You said dependence is our obstacle

Jiu suan fang kai dan neng bu neng bie mo shou wo de
ai

Even if we break up, but couldn't you not receive my
love

Dang zuo wo zui hou cai ming bai
Assuming I'm the last to understand
