Zhi sheng xia gang qin pei wo tan le yi tian
Only the piano accompanies me throughout the day

Shui jiao de da ti qin
The sleeping cello

An Jing de jiu jiu de
Quiet and so old

Wo xiang ni yi biao xian de fei chang ming bai
I think you've made yourself clear

Wo dong wo ye zhi dao
I know and I'm sure

Ni mei you she bu de
You don't regret

Ni shuo ni ye hui nan guo wo bu xiang xin
You say you're upset too, that I don't believe

Qian zhe ni pei zhe wo ye zhi shi cheng jin
You being with me was in the past

Xi wang ta shi zhen de bi wo hai yao ai ni
I hope he loves you more than I do

wo cai hui bi zi ji li kai
Only then will I bring myself to leave

Chorus

Ni yao wo shuo duo nan kan
You want me to say it, but it is awkward

Wo gen ben bu xiang fen kai
I don't even want to break up

Wei she me hai yao wo yong wei xiao lai dai guo
Why must I depend on a smile to tide me through?

Wo mei you zhe zhong tian fen

I don't have the ability

bao rong ni ye jie shou ta
To accept both you and him

Bu yong dan xin de tai duo
Don't worry too much

Wo hui yi zhi hao hao guo
I'll still be fine

Ni yi jin yuan yuan li kai
You've already gone far away

Wo ye hui man man zou kai
And I will slowly walk away

Wei she me wo lian fen kai dou qian jiu zhe ni
Why is it that I have to accommodate you even when
[we] break up?

Wo zhen de mei you tian fen
I really don't have the ability

An jing de mei zhe me kuai
Staying silent doesn't come so fast

Wo hui xue zhe fang qi ni
I will learn to give you up

Shi ying wei wo tai ai ni
Because I love you so much
