Ni Ting De Dao

You shui neng bei wo zhi dao  
who can knows better than me

Ni de wen rou xiang yu mao  
that your tenderness is like feather

Mi mi tang zai wo huai bao  
Secret lying within my embrace

Zhi you ni neng ting de dao  
Only you can hear it

Hai you meo you ren zhi dao  
Is there still anyone who knows

Ni de wei xiao xiang yong bao  
That your smile is like a hug?

Duo xiang cang zhe ni de hao  
Really want to hide your goodness

Zhi you wo kan de dao  
Only I can see it

Zhan zai wu ding zhi dui feng shou  
Standing on the rooftop only saying to the wind

Bu xiang bei zuo you  
Don't want to be pushed around

Ben lai tao yao xia yu de tian kong  
Originally hated the sky

Zhi dao ting jian you ren shuo ai wo  
until I hear someone say they love me

Zuo zai ding ying yuan de er lou  
Sitting on the second floor of the cinema

Kan ren qun zou guo

watching a crowd moving fast

Zen me na yi tian de wo men  
How can we on that day

Duo mo mo de wei xiao hen jiu  
Quietly smile for a very long time?

Chorus

Wo xiang wo shi tai guo yi lai  
I think I am too dependent

Zai gua dian hua de gang cai  
In a moment ago hanging up the telephone

Jian chi xue dan chun de xiao hai  
Persist in imitating a pure child

Jing jing kan shuo zhe fen ai  
Quietly watching over this portion of love

Zhi dao bu neng tai yi lai  
Know I cannot be too dependent

Pa ni hui ba wo chong huai  
Scared that you will spoil me

Ni de xiang wei yi zhi pai huai  
Your fragrance lingers all along  
wo she bu de li kai  
I cannot bear to leave
