I wish I knew, someone like you could love me
I wish I knew, you'd place no one above me
Did I mistake this for a real romance?
I wish I knew but only you can answer

If you don't care, why let me hope and pray so?
Don't lead me on, if I'm a fool, just say so
Should I keep dreaming on or just forget you?
What shall I do? I wish I knew

I wish I knew, someone like you could love me
I wish I knew, you'd place no one above me
Did I mistake this for a real romance?
I wish I knew but only you can answer

If you don't care, why let me hope and pray so?
Don't lead me on, if I'm a fool, just say so
Should I keep dreaming on or just forget you?
What shall I do? I wish I knew

Is this the night I waited, oh, so long for?
Is this my dream, at last, come true?
Are you the one my heart has saved its song for?
How can I tell? I wish I knew

I wish I knew, someone like you could love me
I wish I knew, you'd place no one above me
Did I mistake this for a real romance?
I wish I knew but only you can answer

If you don't care, why let me hope and pray so?
Don't lead me on, if I'm a fool, just say so
Should I keep dreaming on or just forget you?
What shall I do? I wish I knew
What shall I do? I wish I knew
