[Phat Kat]

Yea, Yea I like this shit

You know over the years

Ive seen Emcee's come and Emcee's go

Nigga's on tour gettin paid doing wack ass shows

With gay ass flows y'all all some hoe's to me

Phat Kat who you thought it was suppose to be?

You got a hot single now your ass 0 for 3

Phony niggas like you don't even come close to me

I'm from...Detroit City where my styles ain't free

Wanna hear some real shit? You gotta pay me

Gift was passed down thru my family tree

My momma, my big brother, my two sisters and me

Ronnie Cash the ill bastard B

Get caught crossin my path end up a Kat-tastrophe

Niggas is mad cause they hoe's is drafting me

Fuck around with P goin down in 3

Seconds flat put your bitch ass right on ur back

Thats what you hoe niggas get for fuckin wit Kat

When my crew roll thru you don't want no parts of that

Puttin flows to tracks in less than 10 minutes flat

Yea, we puttin flows to tracks in less than 10 minutes flat

[Verse 2]

Ayo, I could give less than a fuck or whoever you claim to be

But Phat Kat on a mission to save The D

You suckers kill me watchin too much TV

That's why most you hoes lookin funny to me

When they say that shit, y'all go patray that shit

You brainwashed cause all day the radio play that shit

You think I care about your gold and platinum plaques nigga?

I tell you to your face that your ass is wack nigga

You know you bit your style from a fuckin wack nigga

A student, so please don't get it diluted

Undisputed D.E.T.R.OIT

Phat Kat that real nigga roll wit that crew S.V

And I, got the key to be a true emcee

You lack the ability, discipline, swiftness, agility

Rhymes like these ah leave you in mental facilities

On the fo'realla B [hooooo]

Ayo, yo turn it down a lil bit

Ayo, let me know if this shit ever happen to you

[skit begins]
