Sha la la la
la la, my lady
In the sun with
your hair undone
Can you hear me now
callin' your name
from across the bay?
A summer's day
laughin' and a hidin'
Chasin' love
out on Thunder Island

doo doo doo doo
doo doo doo doo
doo doo doo doo
doo doo doo doo

Hey hey hey hey

doo doo doo doo
doo doo doo doo
doo doo doo doo
doo doo doo doo

She was the color
of the Indian summer
And we shared the
hours without number
Until one day when the
sky turned dark and
the winds grew wild
Caught by the rain
and blinded by the lightning
We rode the storm out
there on Thunder Island

(instrumental)

I held her close

until the storm passed
And we fell down

laughing in the wet grass
Both our bodies drying
in the sunshine
sweet sunshine

So, sha la la la
la la my lady
In the sun with
your dress undone
Now every mile away
and every day
cuts a little bit deeper
I'll remember the
nights in the cool sand
Makin' love out
on Thunder Island

doo doo doo doo
doo doo doo doo
doo doo doo doo
doo doo doo doo

Hey hey hey hey

doo doo doo doo
doo doo doo doo
doo doo doo doo
doo doo doo doo

Goodbye Thunder Island

doo doo doo doo
doo doo doo doo
doo doo doo doo
doo doo doo doo

(repeat to fade)
