[Hook: Ne-Yo]

I don't play no games (I don't play no games)
Said when I'm in that thang (when I'm in that thang)
Gon see what I mean (see what I mean)
See what I mean (see what I mean)

Said little mama put me on (baby put me on)
It'll have ya gone (bet I have ya gone)

See what I mean (gon see what I mean)

[Verse 1: Nasty Boi]

Let the beat pound just like I'mma do to you
I know you love it like that, and I'mma go down right to
her crack
Nice and pink like a flamingo, _____ and watch her go
Have a baby by me, ha yeah right
Bitch better be using birth control
'Cuz when I stick it in her hole, I'mma let it flow, let it-let
it flow
I'm a pro you see, and I ain't feelin' like fucking no
dumb broad
I can tell if she a fraud, after I'm done if you good
enough

I'll applaud your appearance
Come back for extras, I believe in abortions
Damn right it's gonna be extortion
'Cuz when I get home I don't want anybody else but you
Child support my ass, I know how that works
If anything, you'll be payin' me for having that kid
He gon grow up to be a star like his pops

[Hook: Ne-Yo]

I don't play no games (I don't play no games)
Said when I'm in that thang (when I'm in that thang)
Gon see what I mean (see what I mean)
See what I mean (see what I mean)

Said little mama put me on (baby put me on)
It'll have ya gone (bet I have ya gone)
Gon see what I mean (see what I mean)
See what I mean (gon see what I mean)

[Bridge: 50 Cent]

Have a baby by me, baby
Be a millionaire

Be a millionaire
Have a baby by me, baby
Be a millionaire (be a millionaire)
Be a millionaire (be a millionaire)
Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire (be a millionaire)
Be a millionaire (be a millionaire)

[Verse 2: Prez]

That baby ain't by me, it don't look like me
Testing DNA on live TV, on Maury
"You are not the father" is what I'm hoping I'm gonna
hear
Then I'll speed back to the crib, crack open a couple
beers
Where the party at? So So Def was the shit
The Bacardi's at, where them girls them hips
Like up, and down, and round and round
That's where the problem is almost always found
You find a hot bitch, and you sweatin' her daily
Then nine months later she's claimin' she had ya baby
Don't got time for kids I'm too young

I wouldn't be a good dad, man I'm too drunk
Comin' home late at night with new women
Forgettin' the baby's in a high-chair in the kitchen
"Can you feed the baby?" is not what it used to mean
I don't smoke crack, but I'm a muthafuckin' fiend, it
ain't my baby

[Hook: Ne-Yo]

I don't play no games (I don't play no games)
Said when I'm in that thang (when I'm in that thang)
Gon see what I mean (see what I mean)
See what I mean (see what I mean)

Said little mama put me on (baby put me on)
It'll have ya gone (bet I have ya gone)
Gon see what I mean (see what I mean)
See what I mean (gon see what I mean)

[Outro: 50 Cent]

Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire (be a millionaire)
Be a millionaire (be a millionaire)
Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire
Have a baby by me, baby
Be a millionaire (be a millionaire)
Be a millionaire (be a millionaire)
