[Verse 1: Nasty Boi]

Shake it, shake it, shake it for me  
Wiggle it down and go ahead, do the bobble-head  
Shake, shake, shake, get the beat flowin' right through  
ya  
Can't believe the bitch all on it, like peanut butter on  
bread  
I ain't goin' anywhere but in her stomach  
Flip, flop like a pancake, multiple positions ain't gonna  
cut it  
You get on my dick and ride that shit, screamin' "oye,  
papi"  
This is the Go 'Head remix, so go and give head  
Slobber right on it, licky, licky, licky  
I'mma give you that sticky  
Depthroat while I choke you  
See how much can go down, no one's ever been able to  
take all of it  
Give this shit a try, cup my balls like you were holdin' a  
baseball  
Swing 'em back and forth, make 'em jiggle, jiggle,  
jiggle  
Ho! Ho! Merry Christmas, daddy's almost there,  
kaboom  
Whoops I busted in ya ass, that's something that I can't  
pass  
My little soldiers as thick as molasses  
My men have been in every pussy of the atlas

[Verse 2: Prez]

The thing that piss me off the most about these women  
Is they all only care about what cars I've been in  
"You met Paul Pierce and that rapper Kid Cudi?"  
I lie, tell 'em yes, and they line up to fuck me  
Beamer, Benz, or Bentley? Ashley, Hil', or Geoffrey?  
Baby we can get frisky, I promise I'll do it gently  
Let me ride like the good doctor in '92  
Go ahead and make my day and I will put a hole in you  
You can jerk like them New Boyz or teach 'em like A.P

Me and DPalm ain't dancin' we spendin' that money  
Gettin' real low on the floor girl, I like dat  
Let a player know you a ho and, I'll buy dat  
(Boi) We gettin' crunk tonight  
Every number in my phone called drunk tonight  
(Boi) You don't even know what I mean  
Checkin' out every bottom in them tight-ass jeans  
Ain't no ring on my finger  
And even if there was my mind wouldn't really linger  
Just shake that thang and let a player know  
We can play Farmville, you the perfect role for a ho  
Haha (bitch)
