[Intro: Prez]

Yeah, uh huh, you know what it is
Green & White, Green & White, Green & White, Green
& White

Yeah, uh huh, you know what it is
Green & White, Green & White, Green & White, Green
& White

[Hook: Prez]

Yeah, uh huh, you know what it is
Every time we ball, you hearing swish
Yeah, uh huh, yeah we looking fierce
Got the keys to the game like Paul Pierce
Repping the city where the little dudes do big things
Green & White, Green & White, Green & White, Green
& White

Rajon Rondo layin' up, drop it through the rim
Green & White, Green & White, Green & White, Green
& White

[Verse 1: Prez]

Uh
White lines, green paint
Heard the Celtics ready for it but the Heat ain't
Soon as Rondo toss it up look at LeBron's face
Shaq slams it down, look at that board shake
The way we ride, you'd think the whip stolen
Oh shit this must be Presidential, ya'll know the slogan
Got the party jumping like we won
Game 6 in '08, Kobe we comin' son
Hear them haters talk, saying that the C's too old
But K.G. is out the cage, he cannot be controlled
I spit dumb like they pulled out my wisdom tooth
My words are Paul Pierce, 'cuz I speak the truth

[Hook: Prez]

Yeah, uh huh, you know what it is

Every time we ball, you hearing swish
Yeah, uh huh, yeah we looking fierce
Got the keys to the game like Paul Pierce
Repping the city where the little dudes do big things
Green & White, Green & White, Green & White, Green
& White
Rajon Rondo layin' up, drop it through the rim
Green & White, Green & White, Green & White, Green
& White

[Verse 2: Prez]

Got a call from Doc Rivers, this just in
The season just began, them C's on their tenth win
Got a lot of fans, like the C's bro
That green in the stands everywhere the C's go
I'm rocking green sweats
And a white tee
Them girls showin' off they breasts
'Cuz they like me
Got a pocket full of Ben Franklins
Got them haters talkin' dumb like Glen Davis

[Hook: Prez]

Yeah, uh huh, you know what it is
Every time we ball, you hearing swish
Yeah, uh huh, yeah we looking fierce
Got the keys to the game like Paul Pierce
Repping the city where the little dudes do big things
Green & White, Green & White, Green & White, Green
& White
Rajon Rondo layin' up, drop it through the rim
Green & White, Green & White, Green & White, Green
& White

[Verse 3: Nasty Boi]

Call this song Grand Theft Rondo, I'mma steal the beat
Like the '07 Celtics, we ain't seen defeat
Inside, outside you know I've got the green flowin'
Smoke weed, get high, nose bleed seats goin'
All this heat we gettin' gonna burn up the green we
have
Thinkin' they gon win it all, LeBron should've stayed a
Cav
Now I tell 'em one more time, who the best ya'll
Got the Green & White, baby we gon win it all

[Hook: Prez]

Yeah, uh huh, you know what it is
Every time we ball, you hearing swish
Yeah, uh huh, yeah we looking fierce
Got the keys to the game like Paul Pierce
Repping the city where the little dudes do big things
Green & White, Green & White, Green & White, Green
& White
Rajon Rondo layin' up, drop it through the rim
Green & White, Green & White, Green & White, Green
& White

Yeah, uh huh, you know what it is
Every time we ball, you hearing swish
Yeah, uh huh, yeah we looking fierce
Got the keys to the game like Paul Pierce
Repping the city where the little dudes do big things
Green & White, Green & White, Green & White, Green
& White
Rajon Rondo layin' up, drop it through the rim
Green & White, Green & White, Green & White, Green
& White
