[Hook]

My chick bad
My chick hood
My chick do stuff that ya chick wish she could
My chick bad, badder (badder) than yours
My, my chick bad, badder (badder) than yours
My, my, my chick bad, badder (badder) than yours

[Verse 1: Prez]

I'm sayin' my chick bad, my chick incomparable
Yo chick is the worst, Charles Barkley, she terrible
My chick's the bomb, my chick's a model
My chick makes your bitch wanna speed off full throttle
All day, everyday my chick go the hardest
My chick perfect, my chick flawless
(My, my chick bad)
Badder than the baddest, I'm radder than the raddest
Follow me like a baptist
Like grease poppin' out of the pan, she the hottest
Your girl dropped out of high school, and is a pothead
My girl makin' moves, my girl independent
You couldn't afford to have sex with a flight attendant
(Yahh)

[Hook]

My chick bad
My chick hood
My chick do stuff that ya chick wish she could
My chick bad, badder (badder) than yours
My, my chick bad, badder (badder) than yours
My, my, my chick bad, badder (badder) than yours

[Verse 2: Nasty Boi]

My chick bad, my chick sick
If you want a chick like mine, put it on your list
You better watch out 'cuz she the head of the class
She on the honor roll and she still hella bad

Listen up girls, I ain't tryna diss
But since I got a girl I gotta stand up for my chick
When I was on my out the door she called my phone
She said, and I quote, "Baby I'm all alone"
She a Scorpio so ain't no way I could resist
Forget work, I'm comin' home to fuck the baddest chick
Make her spread eagle like a gymnast (Shawn Johnson)
Girls give me more x's and o's than Mike Tomlin

[Hook]

My chick bad
My chick hood
My chick do stuff that ya chick wish she could
