Yo yo, forfeit the game before somebody else  
Takes you out of the frame, put your name to shame  
Cover up your face, you can't run the race  
The pace is too fast, you just won't last

You love the way I look at you  
While taking pleasure in the awful things you put me  
through  
You take away if I give in my life, my pride is broken

You'd like to think you're never wrong  
(You'd like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)

You want someone to hurt like you  
(You want someone to hurt like you)  
You want to share what you've been through  
(You live what you've learned)

You love the things I say I'll do  
The way I hurt myself again just to get back at you  
You take away when I give in my life, my pride is  
broken

You'd like to think you're never wrong  
(You'd like to think you're never wrong)  
You have to act like you're someone  
(You have to act like you're someone)

You want someone to hurt like you  
(You want someone to hurt like you)  
You want to share what you've been through  
(You live what you've learned)
