Walking, waiting
Alone without a care
Hoping and hating
With the things I can't bare

Did you think it's cool to walk
Right up to save my life and fuck it up?
Well, did you? Well, did you?

I see hell in your eyes, taken in by surprise
Touching you makes me feel alive
And touching you makes me die inside

Walking, waiting
Alone without a care
Hoping and hating
The things I can't bare

Did you think it's cool to walk
Right up to save my life and fuck it up?
Well, did you? I hate you

I see hell in your eyes, taken in by surprise
And touching you makes me feel alive
Touching you makes me die inside

I've slept so long without you
It's tearing me apart till
How to get this far playing games
With fist held cards?

I've killed a million pity souls
But I can't kill you
I've slept so long without you

I see hell in your eyes, taken in by surprise
Touching you makes me feel alive
Touching you makes me die inside

I see hell in your eyes, taken in by surprise
And touching you makes me feel alive
And touching you makes me die inside

I see hell in your eyes, taken in by surprise
