Can't make it on my own
Will anybody help
To get out of this black hole?
I want some fun

I would like to enjoy
A moment for once
And instead of being annoyed
I want some fun

And I just can't remember
My last laugh in times
People used to say to me
That I had a beautiful smile

I want some fun
Fun
I want some fun
Now

I'm tired of being bored
I wanna make a change
I can't take it anymore
I want some fun

Not gonna waste my time
On all those so called friends
Being amused is not a crime
I want some fun

And I just can't remember
My last laugh in times
People used to say to me
That I had a beautiful smile

I want some fun
Fun
I want some fun
Now

And I just can't remember
My last laugh in times

People used to say to me
That I had a beautiful smile

I want some fun
Fun
I want some fun
Now

I want some fun
Fun
I want some fun
Now

I want some fun
Fun
I want some fun
Now
