Keep it a secret  
Keep it a secret  
Keep it a secret

You know I'm not a single man  
But anyway you think you can  
Come up to me and make a try  
By saying make this a night to remember

What you said to me  
(Keep it a secret)  
What you did to me  
(Keep it a secret)  
What you wanted me to do  
(Keep it a secret)

What you said last night  
(Keep it a secret)  
When you came up tight  
(Keep it a secret)  
What was I supposed to do  
(Keep it a secret)

I don't know what made you believe  
My simple heart could be so weak  
That I could fall for your offense  
In saying make this a night to remember

What you said to me  
(Keep it a secret)  
What you did to me  
(Keep it a secret)  
What you wanted me to do  
(Keep it a secret)

What you said last night  
(Keep it a secret)  
When you came up tight  
(Keep it a secret)  
What was I supposed to do  
(Keep it a secret)

Don't worry, don't worry  
You know my lips are sealed  
Don't worry, don't worry  
You know my lips are sealed

What you said to me  
(Keep it a secret)  
What you did to me  
(Keep it a secret)  
What you wanted me to do  
(Keep it a secret)

What you said last night  
(Keep it a secret)  
When you came up tight  
(Keep it a secret)  
What was I supposed to do  
(Keep it a secret)

What you said to me  
(Keep it a secret)  
What you did to me  
(Keep it a secret)  
What you wanted me to do  
(Keep it a secret)

What you said last night  
(Keep it a secret)  
When you came up tight  
(Keep it a secret)  
What was I supposed to do  
(Keep it a secret)

Keep it a secret  
Keep it a secret  
Keep it a secret
