Autumn is here inside my heart  
When there's springtime in the air  
Loneliness tearin' me apart  
Being lost makes me scared

I keep on asking the Gods above  
To send my love back to me  
Oh please let these days and weeks  
Pass by so quickly

Nobody suffers like I do  
Nobody else, oh no  
Nobody suffers like I do  
Nobody else but you

You had to leave, I know  
And we knew it would be tough  
You said, "You would be back soon"  
Soon is not soon enough

I keep on asking the Gods above  
To send my love back to me  
Oh please let these days and weeks  
Pass by so quickly

Nobody suffers like I do  
Nobody else, oh no  
Nobody suffers like I do  
Nobody else but you

Through this waiting in vain  
All this darkness and pain  
I've been crying for you  
Now I'm dying

When this test is at end  
I hope you'll understand  
That you're all that I've got  
Oh darling

Nobody suffers  
Autumn is here inside my heart

When there's springtime in the air

Nobody suffers like I do  
Nobody else, oh no  
Nobody suffers like I do  
Nobody else but you

Nobody suffers like I do  
Nobody else, oh no  
Nobody suffers like I do  
Nobody else but you
