I don't know much about her
I wanna make her mine
She's all i ever dreamed of
And there's no reason why
I shouldn't be suspicious
So let's give it a try

I was,
The last of the boys to know
The last of the boys to know
The last of the boys to know, the truth, the truth,
Yeah...

I knew from the beginning
I'm just to blind to see
I didn't hear the warnings
Everybody gave to me
And now i hear them talking
I guess it's jealousy

I was,
The last of the boys to know
The last of the boys to know
The last of the boys to know, the truth, the truth,
Yeah...

Is there anybody out there
Who can teach me how to learn
Just tell me when and where
I'm still waiting for my turn

I don't know where she's going
I don't know where she's from
I need some information
Can i get it from someone
I used to be convinced then
But nothing could go wrong

I was,
The last of the boys to know
The last of the boys to know
The last of the boys to know, the truth, the truth,

Yeah
