First of all
I'd like to tell you about a dream I had
Long before
I ever had the chance to meet you, girl
Corridores
I never walked along that leads nowhere
After all
It's all about the art of memory

Time's gonna show me
What you're hiding for me
Songs for no bitter regrets

Dialogues
I never understood your strategy
Horoscopes
I know you're gonna keep it for yourself
The end of us
There's so much depending of the danger, no
Turns to dust
Won't make it easy on you anymore

Time's gonna show me
What you're hiding for me
Songs for no bitter regrets

Time's gonna show me
What you're hiding for me
Songs for no bitter regrets...
