### Verse 1:

Honey don't make this a deal  
Put away that dress  
There's no need to make appearances for me  
And drop that pair of heels  
If you walk in here  
It's more comfortable with slippers on your feet

Forget those plans with your friends  
I don't think they would mind  
I'm sure we won't be missed this time around  
I bet they'll manage somehow

### Chorus:

'Cause I don't want anything more than your company  
Nothing more, nothing less  
'Cause I think it's evident you're your most elegant  
With your hair back, a t-shirt and your sweats

### Verse 2:

Love don't make this hard for me  
No I'm not beneath  
Playing keep-away with all of your keys  
Please don't make me make a scene  
It's your fault if we call attention with this play arguing

I know your hair's made up-- fine  
But I've made up my mind  
My foot is down you're staying here tonight  
I'll play the man card this time

### Chorus:

'Cause I don't want anything more than your company  
Nothing more, nothing less  
'Cause I think it's evident you're your most elegant  
With your hair back, a t-shirt and

### Bridge:

Don't make that face  
You don't need those clothes  
I mean that in so many ways  
And the liner's not required

For me to love the shape of your eyes  
And you may say,  
"There's nothing special here. I'm home like this most  
every day"  
But it's exactly what they don't see  
That draws me near

So fold into me the way your sweats roll up to meet  
your waist  
And keep your hair back--makes it easier to kiss your  
neck

Chorus:  
'Cause I don't want anything more than your company  
Nothing more, nothing less  
'Cause I think it's evident you're your most elegant  
With your hair back, a t-shirt and your sweats
