More money to blow  
Then I am good to go  
More... to smoke  
Then I am good to go  
She dropped that ass on the floor  
She's good to go  
Stop playing with me  
Tell me what is in for  
We could leave right now  
Tell me if you're good to go  
Your friend could come too  
Tell me if she's good to go  
That coconut is rocking me  
I am good to go  
Stop playing with me  
Tell me what is in for  
Boomerang  
Boomerang  
... if she's doing back  
Best believe I am gonna catch it  
18 hundred on that coconut is a rock  
She's gonna sip it make the pennies drop now  
You you and her back to my room  
And work I am talking about  
... I will never save them I just like... a lot  
... do you got that boomerang tell me if...

## Chorus

She drinks that drink slow  
She's good to go  
Pop to a... I am gonna lay back  
While you do your thing  
Makes you with some dro  
Then she's good to go  
Put that ass on the floor  
She's good to go  
Stop playing with me  
Tell me what is in for  
Boomerang  
Boomerang  
She keep on coming back (repeat)

She got that boomerang  
She keep on coming back (repeats)

She keep on coming back  
Like a rear  
If you pay for you don't need a refund  
Got that wet wet  
I am talking niagara fall  
I could swim in it  
I mean my boogie...  
1 o'clock 2 o'clock  
We can go all night  
3 o'clock 4 o'clock and she's still at...  
... like an addict because she got that sniper  
Good candy sweet put it on a rapper  
She's looking at a rapper  
I tell her that I am jay rock  
After party bad bitches fallow me  
Everywhere I go  
That's the only way I know  
Lose is not an option  
Now get that ass on the floor  
We get it popping...

Chorus
