Do you know where are you
going to
Do you like all the things in
life .. someone new
Do you know where are you
going to Do you love all the things that
life has put you through
All my life in the ghetto
conditions uncomfortable
Watching TV I wish I was a
hostile Father like Cosby that was just a thought. a
dream
my daddy in the streets with them fiends â€¦ Moms in
her room rollin up a weed
Project parties every night no sleep
That was back then
Only had the balls .. high on
pities trippin off gin..
Just a lil nigga, need a lil guidance.. all I know is money
all I know is violence
Life is a plan and you just â€¦ You crashing you burn if
you
â€¦
If you talk too much then
you lay on the streets .. that
you speak
I've seen it too many times talk is cheap listen Chorus
Jay rock is the name ..
blocks ..
Still crack bottles got â€¦ to feel Weed to smoke kids to
feed
All we know is money sex
and weed
My .. right I was doin it
wrong
Stress on my brain .. petrol .. some pussy almost every
day
.. put some food on my plate
I know it sounds hard
But somebody gotta do it
Fake niggers claim they are real

But I am the truest
.. on that grave on
Watching my days go
.. real nigger loves me
I stay connected as they go Chorus
