[Verse 1]

I never sleep, I'm on my shit dawg
Like a ...
Niggas see me and I know they plot
I know the plot
They wanna see you closed when you're open shut
That's why I walk with the fifth when I'm on the block
Don't trip
'Cuz If you do that ...
That's when you look up your shoulder and the reaper's
coming
God, got some more of your people coming
Just keep them gates open, I'mma keep 'em coming
They say life's a gamble
And if you play Imma rip your poker hand to shambles

[Hook]

Sometime I roll the streets
...But don't trip my nigga
(Don't trip my nigga)
And I don't care if you Ese, if you Blood or you Crip, my
nigga
(It don't matter my nigga)
But never think you ain't some ...get your wig split, my
nigga
(It can happen my nigga)
Don't trip my nigga
(Don't trip, keep it cool my nigga)
My nigga

[Verse 2]

Just ridin' under the moonlight
Some illegal in the trunk, not moon shine
But never mind that, I got sidetrack
Got it down to a ...
I can see 'em commin' in my hindsight
Easy money, fools paradise
I roll with it like a fool with a pair of dice
Cold with it, Like a pack of ice
Lay you frozen on the ground
Like a snow angel, no fable
They say life's a gamble

I'll noodle your ass like a can of Campbells

[Hook]

[Verse 3]

Some niggas shoot craps
Some niggas blackjack
But me, I'm in the kitchen with the flapjacks
Whip it, flip it again, stacks back
whatever the fiends need, i has that
But see, what that comes to...
The boss tryna overthrow your castle
Niggas you trained to be soldiers
Strategizing on how to take you to battle
Now that's a fucked up situation
Got you patiently waiting for the infiltration
So if you gamble with your life
If it ain't for the money, do it for the right price.

[Hook]

[Outro]

Don't trip my nigga
It don't matter my nigga
Don't trip keep it cool my nigga
My nigga
