I ain't fresh out the hood,
I'm still in the hood,
Still, still in the hood!

I ain't fresh out the hood,
I'm still in the hood,
Like aâ€¦.
And I'm still on the block and you're wishing you were,
But you can't come back, they see the bitch in you,
blea.
Jay Rockâ€¦
Put them in aâ€¦, in my pocket, in a crap.
â€¦and the bitches give me hugs,
The industry hates me, but the hood shows me love.
I've been doing this, I've been seen the crowds,
And the houses and the bricks coming straight up
theâ€¦.
Better â€¦.
Smash it down, pop it know, send it to the swat team,
â€¦a thousand of white chicks, chains where I see,
Niggers know better, it ain't no point to try to fight me,
â€¦.get high!

Chorus:

Dying soul with my eyes on low,
Niggers can't see inside my window,
Oh, oh, oh,
And ain't never going nowhere
That's why you can find me right here,
I ain't fresh out the hood,
I'm still in the hood,
Still, still in the hood!

I'm stepping out the liquor store to aâ€¦
â€¦.
Honest with the o face,
Pushing or switching rap,
â€¦.to my kitty cat,
Nigger where you're sitting at?
Mine is on the East side,

Theirs is to the North side,
Welcome to the
I'll show you what will be like,
Niggers better behave,
Have war, be brave!
Keep God on your side now, before it's too late.
When come on and my Niggers cookies,
coming out the oven, cost them as
Always shopping, watch Daddy shake them of,
It's in the back door, shake it's pocket and leave
them broke.

Chorus:

Dying soul with my eyes on low,
Niggers can't see inside my window,
Oh, oh, oh,
And ain't never going nowhere
That's why you can find me right here,
I ain't fresh out the hood,
I'm still in the hood,
Still, still in the hood!

You know I told ya,
I hate to fuck with ya, man!
Cause I ain't been in the studio,
You know where I've been,
Come on!
I'm still in the hood!
.

Chorus:

Dying soul with my eyes on low,
Niggers can't see inside my window,
Oh, oh, oh,
And ain't never going nowhere
That's why you can find me right here,
I ain't fresh out the hood,
I'm still in the hood,
Still, still in the hood!
