Boom boom  
It's getting hot in here  
Boom boom  
Boom boom  
It's getting hot in here  
Boom boom  
It's getting hot in here

OK the gang is out here and everything feels all right  
Ladies, to bring some men  
And we can do shots all night  
That's right, I want that shit  
And it's about to go, go, down  
All night and we ain't gonna quit  
And all I need is a few more chicks

'Em ladies, be dropping,  
So low man it's hot  
And the .. got money to blow  
My label be popping, my mc 'em knocking  
Diva we got this, let's go!

Call it on sexy all around the world,  
Looking at planes fly, up on cloud night  
It's so sexy, uhu and the things you do,  
Drives me out my mind, mind  
Cause your body go boom boom boom

Boom boom  
New York&€!..  
Boom boom  
London, Miami  
Boom boom  
And girls be slamming  
Cause the body go boom boom boom  
We own the bar  
Boom boom  
Must go ..  
So sexy fly  
Cause the body go boo boom
