You already know
You can find me in the club
Or see me at a show
Sippin on bub
Fillin in the corner
Party going on
Come join if you wanna

Baby clap your hands
Let me see you clap your hands
Baby clap your hands
Let me see you clap your hands
Baby clap your hands
Let me see you clap your hands
Baby clap your hands
Let me see you clap your hands

Sexy little thing
Saw you from a distance
So what's your name
Baby what you drinkin'
So come on over here and tell me what you're thinkin'
Baby look good I don't even wanna blink man

Baby clap your hands
Let me see you clap your hands

You the baddest thing that this club has ever seen

Over there
To the front

To the bottom And to the middle
So give it to me
Give me just a little
