

## Jay Sean "Do It For U"

Visit "[Do It For U](#)" on MotoLyrics.com

I don't normally do this, this thing called love, they got  
me acting on foolish  
And I can't find, see say they do know where the truth  
is  
And I don't really want, to have to find a solution, so  
you won't have  
I do it for you girl,

Ever thought you can naked and baby I'm sorry that  
you can  
But I holler at you won't let them know I'ma jump to your  
food loose court  
â€¦ right from the block blocka, hope for lucka, with  
them boys get loose they waka floka  
Down it's global Osaka I wanna be a dino not your  
doctor, dollar flocka  
Darling I do it for you girl, cry for you girl, laugh for you  
girl  
Cry for you girl, die for you girl, the truth â€¦

I don't normally do this, this thing called love, they got  
me acting on foolish  
And I can't find, see baby girl now the truth is  
And I don't really want, to have to find a solution, so  
you won't have  
I do it for you girl, cause all for you girl  
I do it for you girl, cause all for you girl  
I do it for you girl, cause all for you girl  
I do it for you, for you, for you, yeah  
I do it for

Think I got a problem, a really really hard one  
I've become addicted to a quit is not an option  
They can tell me chance on but on the â€¦ on  
Try to be like â€¦ knocked me down like â€¦ son  
I've hit the jackpot, I'm cashing in her, body's banging  
likeâ€¦ harder that she it is  
Something that she do to me, I ain't the guy I used to  
be, no  
But that's how it goes

I don't normally do this, this thing called love, they got

me acting on foolish  
And I can't find, see baby girl now the truth is  
And I don't really want, to have to find a solution, so  
you won't  
I do it for you girl, cause all for you girl  
I do it for you girl, cause all for you girl  
I do it for you girl, cause all for you girl  
I do it for you, for you, for you, yeah  
I do it for

I don't normally do this, this thing called love, they got  
me acting on foolish  
And I can't find, see baby girl now the truth is  
And I don't really want, to have to find a solution, so  
you won't .
