Hey baby
Ohhh
Can I talk to you
Can I talk to you for a minute
Hold on
Ooohhh yea

Hey girl now that I got you here with me, alone
Hey darling
I have been thinking about us N while we got going on
And I know this thing is far too long
But still should have let you know the deal
Let me tell you how I feel
I'll let you know
The feeling is mutual
I make you feel
There ain't nothing I won't try
Don't be afraid
Get a little physical
Even though I m out of taking some time
I really wanna made it be right

It's easy as 123
ABC
U and me
You know it
It's easy as 123
ABC
U and me
It doesn't take a genius to know

Loves me babyy

I know when you know the world knows that your are
fine
So later
I ain't gonna feed your ego on the time
Because you are so much more than looks and priety
smile and girl that's just my style

I know it's been a hile
But I'll let you know

Baby girl the feeling is mutual
I make you feel
There ain't nothing I won't try
Don't be afraid
It's so much more than physical
Guess I m only making up for the last time
But I really want it just to be right

It's easy as 123
ABC
Babygirl
U and me
Can't you see
It's easy as 123
ABC
U and me

Oohhh

Who can know it's been years
Since we broken own way
Baby girl I really can't compete with you
And I really hope you don't take this personal
And I know that when you are with me
You think of me too

It's easy as 123
ABC
Baby you should know
U and me

It's easy as 123
ABC
U and me
Baby we should be together
123 ABC
U and me

It's easy as 123
ABC
U and me
