"Boy, it's getting kinda late,
You like to make me wait
Til there is no one else around,
Oh baby I wanna see your face [?]
And a shadow in your place
And I'm afraid to close my eyes

Cuz baby, you, send shivers down my spine
Scare me out my mind ,
You know everything I like
Keep You do what you do,
Can't wait til i see you
And you don't have to call as for anything at all

Show up just like a GHOST
The way you come and go
Shake me up I know
You make me feel alive
Somebody hit the lights
Cuz I like to be alone In the dark when you come home
And hoping i come close

Ooh just like a ghost
Ooh oh, oh oh, oh ,Oh oh oh oh, ost
Gho oh oh oh ost, Oh just like a ghost
Gho oh oh oh ost, Gho oh oh oh ost
Ooh just like a ghost

I cant help the way i feel, dont know even if your real
The way you come and disappear
But all i know is that when your here with me
I dont wanna let you go
Thats why im afraid to close my eyes

Cuz baby, you, send shivers down my spine
Scare me out my mind ,
you know everything I like
Keep You do what you do,

Can't wait til i see you
And you don't have to call as for anything at all

Show up just like a GHOST
The way you come and go
Shake me up I know
You make me feel alive
Somebody hit the lights
Cuz I like to be alone
In the dark when you come home
And hoping i come close

Ooh just like a ghost
Ooh oh, oh oh, oh ,Oh oh oh oh, ost
Gho oh oh oh ost, Oh just like a ghost
Gho oh oh oh ost, Gho oh oh oh ost
Ooh just like a ghost

I cannot explain the way you make me feel inside and I
wish it would last when your gone oh oh ooh

Gho oh, oh oh, oh ,
Oh oh oh oh, ost Gho oh oh oh ost,
Oh just like a ghost Gho oh oh oh ost,
Gho oh oh oh ost Just like a GHOST

The way you come and go
Shake me up I know
You make me feel alive
Somebody hit the lights
Cuz I like to be alone
In the dark when you come home
And hoping i come close

Ooh just like a ghost Ooh oh, oh oh, oh ,Oh oh oh oh,
ost Gho oh oh oh ost, Oh just like a ghost Gho oh oh oh
ost, Gho oh oh oh ost Ooh just like a ghost. :)
