I'm just sitting here trying to forget about all those years, and I can't take the thought of him alone with you (alone with you)

It's been a year or so, and you've moved on and left me cold,
and i,
I wish that i could let you know that i still got a thing for you

But you got another man, he says he loves you too
Baby girl I understand this must be hard on you and it gets so hard sometimes to know just what to do
Stuck in the middle with you.

You and i
seen it all
sunny days
through the storm
still i know
He could never love you like me
Girl, i know me and you
going new, he messed it up with ya
No, he could never love you like Me

Can we go back again as lovers not
as friends
cos' I know
He Could Never Love You Like Me
Girl
i've been there before
time to close that open door
I know that
He Could Never Love You Like Me

I know..
I know..

Yeah..yeah,

I was the one you can run into
when tears would fall for what he'd do

Who knew that friends would
become lovers

Going crazy
Giving my all, but getting half of you
I'm not half the man so tell me what to do
never gonna let you go
cus' you know that our love is true
but you got another man
but he is no good for you
Baby girl i understand, but this ain't all on you
And it gets so hard sometimes
to know just what to do

Stuck in the middle with you.

You and i
seen it all
sunny days
through the storm
still i know
He could never love you like me
girl, i know me and you
going new, he messed it up with ya
No, he could never love you like Me

Can we go back again as lovers
not as friends
cus' I know
He Could Never Love You Like Me
Girl
i've been there before
time to close that open door
I know that He Could Never Love You Like Me

I know
that you will never find another love like me
and you can look but won't find
a man like me
and even though you might have seperated from me
gotta make a choice can't wait forever.

You and i
seen it all
sunny days
through the storm
still i know
he could never love you like me
girl, i know he and you
going new, me messed it up with ya
No, he could never love you like Me

can we go back again as lovers not
as friends
cus' I know
He Could Never Love You Like Me
Girl
i've been there before
time to close that open door
I know that
He Could Never Love You Like Me
