[Verses]

Everywhere everybody
Needs a neighbour
Showin up when times get hard
But there's friends of sons
And daughters
Saying grace without supper
In your backyard
Who doesn't wanna be a hero
Or atleast little bit of
Helping out
There's something you're
Never gonna help or change
But hunger's
Somthing we can turn
Around.

[Chorus]

Heres hope heres hope
Showing up at your front door
Heres hope heres hope
You have what everybody's looking for
It's your one chance to make a difference
And your one choice to give a helping hand
There's room at the table for more

So heres hope
Oh ooo oh oo
Heres hope
Oh ooo oh oo

Oh

[Verses]

Well, there's a small town
Girl in thirdgrade
Making sure sisters get enough
She sees her mama working two jobs

Worrying and crying, doing
Everything but giving up
If a miracle's a gift when
You need it
Then it's time for stepping in
Here's to families and kids
Where ever you live
Never ever wondering again

[Chorus]

Heres hope heres hope
Showing up at your front door
Heres hope heres hope
For what everybody's looking for
It's your one chance to make a difference
And your one choice to give a helping hand
There's room at the table for more

Well heres hope
Oh ooo oh oo
And heres hope
Oh ooo oh oo

Ohhh

[Verses]

Here's going to bed not hungry
Here's to changing the story
Here's to bigger hearts and
Brighter days
Let me hear you sing it for me
For me

[Chorus]

Heres hope heres hope
Showing up at your front door
Heres hope heres hope
For what everybody's looking for
It's your one chance to make a difference
And your one choice to give a helping hand
There's room at the table for more

Oh ooo oh oo
Ohhh heres hope
Oh ooo oh oo
Ho
Hope
