It doesn't matter if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

Hey pretty baby, you got me goin crazy
I'm down when I ain't got you
Cuz baby girl you do it for me
Won't you put it on me
I love the little things you do

So you can spend all you wanna
Dolce and Gabbana
I would buy the world for you

So I break it down
If you're not around
It doesn't matter if I ain't got you (if I ain't got you)

(Chorus)
All the diamonds and the pearls,
Money in the world means nothing
If I ain't got you
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

Yo, I had a villa in Manilla
A home in Rome
Didn't matter cuz I didn't have you
Had an apartment in the sky
Summers in Dubai
Didn't matter cuz I didn't have you

I used to spend all I wanted

Dolce and Gabbana
But I would trade it all for you
Together had it all
But now that you my all
I know that nothing matters without you (without you)

(Chorus)
All the diamonds and the pearls,
Money in the world means nothing
If I ain't got you
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

Watch sites without you
A house without you
They don't mean nothing if I'm without you it's true
None of it matters
Girl, more than you do
And my love feels brand new
Every minute every time that you're with me
I know that time girl I hope that you still be
Cuz all I need in this world is you and me

Cuz baby

(Chorus)
All the diamonds and the pearls,
Money in the world means nothing
If I ain't got you
And all the watches and the rings
And all them shiny things
Means nothing if I ain't got you

If I ain't got you, you
If I ain't got you, you
If I ain't got you, you
If I ain't got you, you

If I ain't got you then I ain't got nothing
Said I ain't got nothing

So hush little baby don't say a thing
Daddy's gonna buy you a diamond ring
And if that diamond ring don't shine
Then daddy's gonna buy you the whole damn bind
