Got It All
And I Just Can't Lie
Oh Woman And Your Body Is Sick
Got A Vibe That'll Mesmerize
Any Guy On A Night Like This
Ain't No Other Way To Put It To Ya
I Don't Care If You Got A Man
You'll Be Fun And I Can See Right Through Ya
This Is All Your Plan

CHORUS:

I Like The Way You Move To The Groove
When You Lead Me On
The Way You Move Your Body
Girl You Know How To Get Me Goin' (One Touch)
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On
Lead Me On, Lead Me On
Lead Me On, Lead Me On

VERSE 2:

I Can Wait
I Ain't Even Gonna Rush
Girl I Wanna Watch You Whine For Me
What I Wouldn't Do For Just One Touch
Girl I Wanna Take My Time And See
I Had My Eyes On You
Now You Got Your Eyes On Me
Come, Come Closer To
One On One Baby

Stop
I Need A Little More Now
Drop
A Little To The Floor Now
Roll
I Think You Better Go Now
Baby

CHORUS: X2

I Like The Way You Move To The Groove
When You Lead Me On (Come A Little Bit Closer)
The Way You Move Your Body
Girl You Know How To Get Me Goin' (Crazy)
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On (Oooh Yeah)

I Like The Way You Move To The Groove

When You Lead Me On
The Way You Move Your Body
Girl You Know How To Get Me Goin'
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On (Lead Me On)

BRIDGE:

You Know What I Like
And I Like What You Got On, I Might
Do Whatever To You If You Like
Me To Do, Whatever You Would Like
Ever You Would Like

You Know What I Like
And I Like What You Got On, I Might
Do Whatever To You If You Like
Me To Do, Whatever You Would Like
Ever You Would Like (Oooh Baby)

CHORUS: X3

I Like The Way You Move To The Groove
When You Lead Me On
The Way You Move Your Body
Girl You Know How To Get Me Goin'
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On

I Like The Way You Move To The Groove
When You Lead Me On
The Way You Move Your Body
Girl You Know How To Get Me Goin'
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On

I Like The Way You Move To The Groove
When You Lead Me On
The Way You Move Your Body
Girl You Know How To Get Me Goin'
I Know You Know It Too
Got Me Trippin' On You
I Love The Way You Do What You Do
When You Lead Me On
