(Verse 1)

Beep Beep Oh Look Now There Goes My Phone
And Once Again Im Just Hoping Its A Text From You

(Bridge)

It Aint Right i read your Messages Twice thrice
Four Times A Night Its True
Everyday I Patiently Wait
Feeling Like A Fool But I Do Anyway
Nothing Can Feel As Sweet And As Real
As Knowing I Wasn't Waiting In Vain

(Chorus)

And Maybe Its True (may be its true) I'm caught Up On
You
Maybe Theres A Chance That you're
Stuck On Me Too
So Maybe I'm wrong Its All In My Head
Maybe We're Afraid of Words We Both Hadn't Said

(Verse 2)

I'm Always Connected Online
Hooked On *Facebook* All The Time
Hoping You've Checked My Profile
just cant help wondering why
you play it cool cz,
im hopelessly falling for you

*every nite on my phone i

hook up with you
and i don't even like it girl
all chokin in side
why don't you and i
come out and see what were trying to hide *

(Chorus)

And Maybe Its True Oh (may be its true) I'm caught Up
On You
(Maybe Yeh)Maybe Thers A Chance That You're Stuck
On Me Too
So Maybe I'm wrong Its All,In My Head

Maybe We're Afraid Words We Both Hadn't Said

*like i really want you
i think i need you
baby i miss you
im thinking of you* (*2)

(Chorus)

And Maybe Its True Oh (may be its true) I'm caught Up
On You
(Maybe Yeh)Maybe Thers A Chance That You're Stuck
On Me Too
So Maybe I'm wrong Its All,In My Head
Maybe We're Afraid Words We Both Hadn't Said (*2)

maybe it is true
im caught up on you
maybe i am wrong
baby i miss you
