Tu hi tu hai meri jaan, Tu hi tu hai meri jaan
{You and only you are my life, You and only you are my
life)

Lately things don't seem
The way they used to be
Between you and me
Girl, I'm missing you

You say I'm never home
I'm chasing my own goals
And you just don't know
That it's all for you

[Bride]
Don't you understand (Don't you understand)
I'm tryna be a better man
And all I do, I do for you
Baby, heart in hand
I'll give you everything I can
Girl if you could only see

[Chorus In Punjabi/Juggy D]

Ek gal ta sun meri jaan
(Hear me out, my soulmate, my life)

Meri manlo hun meri jaan
{Believe me, my life)

Mera dil na thod meri jaan
(Don't break my heart, my life)

Tu hi tu hai meri jaan
{You and only you are my life)

I would give it all up
Give it all up
Give it all up for you
I would give it all up for you

Hey girl I really wanna show ya

Really wanna spend some quality time
Hey girl I really wanna show ya
Really wanna spend some quality time

Hey girl I really wanna show ya
Really wanna spend some quality time
Hey girl I really wanna show ya
Really wanna spend some quality time

Ek gal ta sun meri jaan (oh-oh)
(Hear me out, my soulmate, my life)

Meri manlo hun meri jaan
{Believe me, my life)

Mera dil na thod meri jaan
(Don't break my heart, my life)

Tu hi tu hai meri jaan
{You and only you are my life)

Ek gal ta sun meri jaan (yeah)
(Hear me out, my soulmate, my life)

Meri manlo hun meri jaan
{Believe me, my life)

Mera dil na thod meri jaan
(Don't break my heart, my life)

Tu hi tu hai meri jaan
{You and only you are my life)

Ek gal ta sun meri jaan
(Hear me out, my soulmate, my life)

Meri manlo hun meri jaan
{Believe me, my life)

Mera dil na thod meri jaan (yeah yeah)
(Don't break my heart, my life)

Tu hi tu hai meri jaan
{You and only you are my life)
