Thara... Jay Sean

Hey ho
Hey ho
Hey ho
Hey ho

M-U-R-DER
You are.

Girl You're Murder
Boy You're Murder

M-U-R-DER
You are.

Girl You're Murder
Boy You're Murder

That Girl is Murder, she's a one eighty seven
Her looks are her weapon
Ay o ay o ayyy o
That Boy is Murder, he's a one eighty seven
No other man can step to him
Ay o ay o ayyy o

[Jay Sean:]

Yo, Oh there's this Girl I know, shes so incredible
Talking that type that make a man wanna sell his soul
Treat her just like a queen, make you give up
everything
This girl is murdering me.

Step One,
Erase all the girls on my phone
Two,
Give up everything that I own
Three,

Don't even see my boys no more

No, no... no, no... noooooo

Four,
Got me doin' dishes with my apron on
Five,
Sending mixtapes with my favourite songs
Six,
Somebody tell me what's goin on... man I don't know

That Girl is Murder, she's a one eighty seven
Her looks are her weapon
Ay o ay o ayyy o

That Boy is Murder, he's a one eighty seven
No other man can step to him
Ay o ay o ayyy o

M-U-R-D-E-R
You are.

Girl You're Murder
Boy You're Murder

M-U-R-D-E-R

You are.

Girl You're Murder
Boy You're Murder

No, no... noooooooooo

[Thara:]

He's the reason that I'm in this place that I swore id
never be
And the way that I'm acting got my girls hatin' on me
Now I don't care what my daddy said and that's what's
killing me
Even though, there just tryna save me... but I don't
saving from murder

That Girl is Murder, shes a one eighty seven
Her looks are her weapon
Ay o ay o ayyy o

That Boy is Murder, he's a one eighty seven
No other man can step to him
Ay o ay o ayyy o

[Thara:]

Boy I don't know, this is unusual
How you got me chasing you,
Like you did my average but the chemistry's automatic
Slow-ly I'm losing myself but I don't want no help
We're meant to be with Murderers... ers... ers... ers

That Girl is Murder, shes a one eighty seven
Her looks are her weapon
Ay o ay o ayyy o

That Boy is Murder, he's a one eighty seven
No other man can step to him
Ay o ay o ayyy o
