Dil kho churaya  
Dil kho churaya  
Dil kho churaya

Tere dil da haal mein, haal mein sunawa  
Ni kuriyeh ni gal maan le

Did I confuse you girl  
Did I give you a sign  
Coz this is not what we plan to do  
I thought we'd talk it out  
You told me that you didn't mind  
At the time you understood  
It was only for the night

Baby you know  
Gotta let go  
Come on act right  
It was only one night  
Baby you know  
Gotta let go  
Come on act right  
It was only one night

Kuriye tu gal mere ek manley  
Kuriye tu gal mere ek manley

All these text messages asking me 'bout my day  
I told you, you got to allow this style  
Coz I'm not ready girl, you can't persuade me to stay  
Girl I'd like you to understand it was only for the night  
You told me that, now you wanna act  
Like I told you I'd commit but it's more then I can give

Was this all a plan, turn a one night stand  
Into more than we agreed, I can't give you what you  
need baby

Baby you know  
Gotta let go  
Come on act right  
It was only one night

Baby you know  
Gotta let go  
Come on act right  
It was only one night

Girl I can see that you're hurt  
But I didn't think that you would go back on your words  
How am I supposed to change what is done it's too late  
Girl I'm starting to believe that we made a mistake

It was for one night  
Babygirl if you'd told me then it'd been alright  
Now you're telling all your friends that I'm your man  
I don't understand  
Oohh Oohh

Baby you know  
Gotta let go  
Come on act right  
It was only one night [x4]

Kuriye tu gal mere ek manley [x4]
