Ribbon In The Sky (Unplugged)

Ohh, oh yeah yeah..mmm. mmmm yeah. ohh...
Ribbon in the sky...

Oh so long for this night I prayed
That a star would guide you my way
To share with me this special place
Well there's ribbons in the sky for our love

If allowed may I touch your hand
And if pleased may I once again
So that you too will understand
There's a ribbon in the sky for our love

Jay Sean oh.. and Adil Ray bringing British Asian music
to the whole U.K
Rishi Rich...and he's on the keys, there's ribbon in the
sky for our love

This is not a coincidence
And far more than a lucky chance
But what is that was always meant
Is our ribbon in the sky for our love love

We can't lose with God on our side
We'll find strength in each tear we cry
From now on it will be you and I
And our ribbon in the sky
Ribbon in the sky
A ribbon in the sky for our love
