You Know I had to make a song for my shorty, player

This is for my shorty

This is for my shorty

[chorus]

People always breakin up

fallin in and out of love

I just wanna let youu know

I'mma never let youu go

For the rest of my life

I'm gonna be by your side

People always breakin up

Fallin in and out of love

I just wanna let youu know

I'mma never let youu go

For the rest of my life

I'm gonna be by your side

[v1]

Sometimes she drives me crazy

but i don't give a damn

Everytime I need my baby

She'll always be around

The only one thats been down with me through all of  
this time

My hommies think I'm trippin

tell me I'm wastin my time

It's only cause they can't

find a girl thats hot like mine

Theres no where else that i'd rather be

So I'mma let the whole world know

Girl your the only one for me

the only sex I need

Noone else can make me feel the way my baby does

Thats whyy

[chorus]

People always breakin up

fallin in and out of love

I just wanna let youu know

I'mma never let youu go

For the rest of my life

I'm gonna be by your side

People always breakin up  
Fallin in and out of love  
I just wanna let youu know  
I'mma never let youu go  
For the rest of my life  
I'm gonna be by your side

[v2]

Girl youu don't have to worry when I'm all up in the club  
cause noone else will ever come between the two of us  
It's crazy how youu got me hooked babe  
I'm doin things i never do babe  
And everytime I close my eyes I thank the lord  
that I have youu  
Your everything a man could want  
For the rest of my life  
and i'll put that on everything

[chorus]

People always breakin up  
fallin in and out of love  
I just wanna let youu know  
I'mma never let youu go  
For the rest of my life  
I'm gonna be by your side  
People always breakin up  
Fallin in and out of love  
I just wanna let youu know  
I'mma never let youu go  
For the rest of my life  
I'm gonna be by your side

[bridge]

This is for my shorty  
Girl youu got my back and baby I got yours  
This is for my shorty  
I seen a dime or two but they don't compare to youu  
This is for my shorty  
Girl youu got my back and baby I got yours  
This is for my shorty  
I seen a dime or two but they don't compare to youu

[chorus]

People always breakin up  
fallin in and out of love  
I just wanna let youu know  
I'mma never let youu go  
For the rest of my life  
I'm gonna be by your side  
People always breakin up  
Fallin in and out of love

I just wanna let you know  
I'mma never let you go  
For the rest of my life  
I'm gonna be by your side
