You were my eyes when I couldn't see
You were my air when I couldn't breathe
I think you always knew what you meant to me

And you were my strength when I was down
And you made me humble when I wouldn't bow
I held on to your promise that you'd be around

Where were you when I was alright
Tell me, did you know I was alright
You left me thinking I'd be alright
Won't you come back to me

It's crazy but I'm falling apart
It's crazy how you're leaving me scarred
It's crazy girl wherever you are
You stole my heart

It's crazy but I'm going insane
Feeling lost, confused and ashamed
It's crazy hope you're feeling my pain
You stole my heart

Stolen
Just like a moment
Stolen
You never owned it
Stolen
You took away my heart

But I was baby lost in my own world
Neglecting your needs and your wants girl
If only we could try again once more

Now it's the same sad story that we all know
How lovers make mistakes, watch it all blow
I don't wanna be the one to let it all go, no

Where were you when I was alright
Tell me, did you know I was alright
You left me thinking I'd be alright
Won't you come back to me

It's crazy but I'm falling apart
It's crazy how you're leaving me scarred
It's crazy girl wherever you are
You stole my heart

It's crazy but I'm going insane
Feeling lost, confused and ashamed
It's crazy hope you're feeling my pain
You stole my heart

Stolen
Just like a moment
Stolen
You never owned it
Stolen
You took away my heart

And no man can live without blood running through his
veins
And it's hard to remember the summer
[Incomprehensible] rain
I don't know how much longer that I can wait
It's a thin line between love and hate

It's crazy but I'm falling apart
It's crazy how you're leaving me scarred
It's crazy girl wherever you are
You stole my heart

Its crazy but I'm going insane
Feeling lost, confused and ashamed
It's crazy hope you're feeling my pain
You stole my heart

Stolen
Just like a moment
Stolen
You never owned it
Stolen
You took away my heart

Stolen
Just like a moment
Stolen
You never owned it
Stolen
Girl, you took away my heart
