Whooo!
Hey, uh, uh, uh, uh,
uh, uh, uh, uh,
Hey uh, uh, uh, uh,
uh, uh, uh, uh,

Girl how do you keep your cool,
you know you stand out from the rest,
You've got all eyes on you,
your hair, your walk, your talk, your dress,
you've got our attention there,
you got me questioning,
what's ya motive? do you know this?
you should know this,
oh-whoaa

idde lambe baal te hava vich oordeh
laal suit paaya o kina sona rang
sare kuriya de naal ohi soniya
ek milne da jee bada karda

saariya da dil churaliya
saariya da dil churaliya
don't you know you stole our hearts=
saariya da dil churaliya
dil churaliya...

they all talk behind your back,
just cos you don't follow the crowd,
but they don't understand,
that it's your culture and your proud,
I'm not that impressioning
I'm no longer questioning,

Listen you, 're mine and it's alright

when you don't come by

saariya da dil churaliya
saariya da dil churaliya
don't you know you stole our hearts=
saariya da dil churaliya
dil churaliya...

uh, uh, uh, uh,
uh, uh, uh, uh,
Oooh uh, uh, uh, uh,
uh, uh, uh, uh,

pehli vaar unu college wich dhikeya
Hai oh ni neeli neeli akhiaan
akhiaan oh kinne kinni soni aah
kendhi , ' , ' , ' juggy hai mein teri aah, mein tere
aah , ' , ' , '

came last night and told me
that she came on over last week to approach me
and she was like ' , ' , ' hey you , 're the one that I want
' , ' , '
I can't believe she got us tripping over her

saariya da dil churaliya
saariya da dil churaliya
don't you know you stole our hearts=
saariya da dil churaliya
dil churaliya...(3X)

Dil churaliya ...

don't you know you stole our hearts
Babygirl you look so fine
Dil churaliya
