I'm just sitting here, tryna  
Forget bout all those years, and I  
I can't take the thought of him  
Alone with you (alone with you)  
It's been a year or so, and you  
Moved on and left me cold, and I  
I wish that I could let you know  
That I still got a thang for you

But you got another man  
He says he loves you too  
Baby girl I understand  
This must be hard on you  
And it gets so hard sometimes  
To know just what to do  
Stuck in the middle with you

[Chorus:]  
You and I  
Through it all  
Sunny days  
Through the storms  
Still I know  
He can never love you like me  
Girl I know he and you  
Going new he messed it up with it all  
No he can never love you like me  
Can we go back again as lovers not as friends  
Cos I know  
He can never love you like me  
Girl I've been there before  
Time to close it up and go right on  
But he can never love you like me

I was the one you can run into  
When tears would fall from what he do  
Who knew the friends would become lovers  
Going crazy giving my all but getting halfa you  
I'm not half the man so tell me what to do  
Never gonna let you go  
Cos you know our love is true

But you got another man  
But he's not good for you  
Baby girl I understand  
But this aint all on you  
And it gets so hard some time  
To know just what to do  
Stuck in the middle with you

[Chorus:]

You and I  
Through it all  
Sunny days  
Through the storm  
Still I know  
He can never love you like me  
Girl I know he and you  
Going new he messed it up with it all  
No he can never love you like me  
Can we go back again as lovers not as friends  
Cos I know  
He can never love you like me  
Girl I've been there before  
Time to close up and go right on  
But he can never love you like me

I know  
That you will never find another love like  
Me and you can look but won't find another man like  
Me and even though you might have seperated from  
me  
Gotta make a choice can't wait forever

[Chorus:]

You and I  
Through it all  
Sunny days  
Through the storm  
Still I know  
He can never love you like me  
Girl I know he and you  
Going new he messed it up with it all  
No he can never love you like me  
Can we go back again as lovers not as friends  
Cos I know  
He can never love you like me  
Girl I've been there before  
Time to close up and go right on  
But he can never love you like me
