compliments, all the gifts  
guess they didn't mean shit  
what the fuck you got me going through  
didn't i hold you down  
when you were down and broke  
never asked for anything from you  
i ain't through with you  
so don't you try to walk away  
it ain't like i want you back  
but there's somethings still left to say

baby tell me why, why, why, why  
did you do me like that (oh do me like that)  
i'm the same old guy watching you back when  
when we were just friends  
let me sing it again  
tell me why, why  
if we didn't ever fight  
i was faithful to you girl  
i was faithful to you girl  
baby didn't i hit it right  
oh so why, why, why  
did you do me like that (do me like that)

did he make you weak in the knees  
did he have you grabbing the sheets  
did he do it like me  
did he make you call out his name  
and did you want it again (again, again)

now that you crossed the line

i just can't look at you the same  
it ain't like i want you back  
but there's somethings still left to say

baby tell me why, why, why, why  
did you do me like that (oh do me like that)  
i'm the same old guy watching you back when  
when we were just friends  
let me sing it again  
tell me why, why

if we didn't ever fight  
i was faithful to you girl  
baby didn't i hit it right  
oh so why, why, why  
did you do me like that (do me like that)

crying for me is a waste of time  
cos it's too late, i made up my mind baby  
so this is goodbye

baby tell me why, why, why, why  
did you do me like that (oh do me like that)  
i'm the same old guy watching you back when  
when we were just friends  
let me sing it again  
tell me why, why  
if we didn't ever fight  
i was faithful to you girl  
baby didn't i hit it right  
oh so why, why, why  
did you do me like that (do me like that)
