One, one, one, one, one, one
You be the one, one, one, one, one, one
Baby switch your mind off, hey
And let the music turn your light on, on, yeah
And let it go girl believe me, me, me
So you can be who you wanna be, be,
be
Going to another timezone
Where nothing really matters but this
moment
The finest spot where we can be
alone
Until the break of dawn let's keep it
moving
Keep it moving till the morning
Tonight is almost done
Keep it moving till tomorrow
I can almost see the sun
You be the one, you be the one
You be the one, one, one, one
You be the one, you be the one
You be the one, one, one, one
Girl you be the one, one, one, one, one
You be the one, one, one, one, one
Baby get some dum girl,
Let it take away your gham, girl
Zindagi pal do pal ki hai
Iss dil bhi come to me, come girl
Duniya teri diwaani hai
Par mein bhi nahin kuch bhi kam, girl
Music is ...
Toh mohabbatein hai mera karam, girl
Jagmaga de sitaare, tujhe chamkayein
saare Tere baahon mein, jaaneman, I can almost see
the Sun
You be the one, you be the one
You be the one, one, one, one
You be the one, you be the one
You be the one, one, one, one
Girl you be the one, one, one, one, one
You be the one, one, one, one, one
Girl you are, the only one

I feel your love, I feel your love
Oh faasale nahin, simita kal jo tah
abhi
One, one, one, one, one, one, one hey
One, one, one, one, one, one, one
yeah
One, one, one, one, one, one, one
come on
One, one, one, one, one, one, one hey
hey hey
You be the one, you be the one
You be the one, one, one, one
You be the one, you be the one
You be the one, one, one, one
Girl you be the one, one, one, one, one
You be the one, one, one, one, one.
