Hey girl
I've been with you for so many years
And we've had our laughs and we've cried some tears
Now something tells me you're not the same
Maybe it's me that's changed

Now I, I don't know what I'm gonna do
When all that I can begin with you
I'll turn around and walk away
If you're better off that way, that way

Where do we go from here?
My heart, my soul, won't let you go
I don't know

Where do we go from here?
It's never, Lady forever
Where do we go?
Tell me yeahhhh
Where do we
Oh Whey-ey-ey-ere do we go

Love
Love is not a fairytale
But it ain't supposed to be this hard
And now the visions of our love fade away

More Everyday-day

And I, I don't know what I'm gonna do
When all that I can begin with you
I'll turn around and walk away
If you're better that way, that way

Where do we go from here?
My heart, my soul, won't let you go
I don't know

Where do we go from here?
It's never, Lady forever
Where do we go?

Where do we go?
See girl I need to know, See girl I need to know
See girl I don't know where
Girl I really need
So baby won't you break it down
Said I'm so so tired
See Girl I need to know
So baby won't you break it down
Oh baby won't you tell me

Where do we go?
Where do we go?
