Ohh, no no no no no  
Baby, I'm so sorry

Said I left my baby girl a message  
Said I won't be coming home  
I'd rather be alone  
She doesn't fully understand me  
'Cause I'd rather leave  
Than to cheat  
If she gives me some time  
I can be the man she needs  
But there's a lot of lust inside of me  
And we've been together since our teenage years  
I really don't mean to hurt her  
But I need some time to be alone

'Cause when you love someone  
You just don't treat them bad  
Oh, how I feel so sad now that I wanna leave  
She's crying her heart to me  
How could you let this be  
I just need time to see where I wanna be

Where I wanna be
