Cowboy boots and tight blue jeans
I wonder if you really are a rodeo queen
Just what have you roped in tight
Baby, let me take you on a cowboy ride

[CHORUS]

Ride out in the moon and stars
Tell me have you ever been that far
All you gotta do is hold on tight
Baby, let me take you on a cowboy ride

Come on honey, we'll have a little fun
You can wear my chaps and shoot my gun
Mount on up and hold on tight
Baby, let me take you on a cowboy ride

[REPEAT CHORUS]

On a cowboy ride

Cause I'm a cowboy baby
Yeah, I'm a cowboy baby
I know you wanna cowboy baby
And I'm a cowboy baby

[REPEAT CHORUS]
