Well, Fishin's a religion  
For some friends of mine  
Call me sacrilegious  
But I never wet a line  
And golfin' just ain't something  
That I consider fun  
The only driver that I need  
Is a designated one

Cause when it's football time in Tennessee  
A brewski hits the spot  
The Titans take the gridiron  
And their givin' all they've got  
A pigskin and a cold one  
Was all I thought I'd need  
Until that day at Hooters  
When you brought them wings to me

CHORUS:

Now it's football, beer and you  
It just don't get no better  
From my point of view  
Why don't we get together  
For a weekend rendezvous  
The only three things that I love

Are football, beer and you

Could you turn up the TV  
My you sure are lookin' fine  
And bring another pitcher  
It's almost kickoff time  
You're gonna see a lot of me  
'Til football seasons through  
Cause the only three things that I love  
Are football, beer and you

REPEAT CHORUS

Why don't we get together  
For a weekend rendezvous  
The only three things that I love

Are football, beer and you

Lord, the only three things that I love  
Are football, beer and you
