This feeling that Im feeling  
Making me want to give up  
How I used to be  
True player all the way  
Till I met her  
Switched my game in a heartbeat  
Cause she's everything  
Always said I would  
Never fall I love  
She really got me  
Floating on cloud nine  
CHORUS  
I wouldn't give her up  
For nothing in the world  
I don't want no body she's all I need  
Chillin with the fellas  
But Im in another world reminiscing  
About everything that she does  
In my heart there's no other  
Cause she's everything  
Always said I would  
Never fall in love  
She really got me  
Floating on cloud nine  
Girl it's almost like dreams cause I never  
Ever thought that nobody could change me  
She came and changed my world  
Cant shake this feeling that you're givin me  
Its almost like someone put a spell on me  
She came and changed my world
