Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, stop

They want me to go, go
I'm already gone, already
The shit that I'm on, hey
I'm already home

Hey, I'm already home
Hey, I'm already home
Hey, I'm already home
Now one more 'gain

Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, no

They want me to go, no
I'm already gone, gone
The shit that I'm on, already
I'm already home

Hey, I'm already home
Hey, I'm already home
Hey, I'm already home

These niggas want me to go, don't they know that I'm
gone?
They know I'm space shuttle level, they need oxygen
Don't they know that they boring'Don't they know that I
yawn?
Only time they exciting is when they mentioning Sean

You seen Single White Female when she dyed her hair
blond?
Sometimes I look at these rappers, the movie remind
me of them
Somebody turn these boys off, don't they know that I'm
on?

Can't they see that it's foolish to try to kill me with
songs?

What the fuck are they, Lauryn?
You killing me softly, you talk me to death
Only thing you can do to 'em, I open the door for them
What else can I do? These niggas want me to walk for
them
Somebody talk to them before I go off on them

Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, stop

They want me to go, go
I'm already gone, already
The shit that I'm on, hey
I'm already home

Hey, I'm already home
Hey, I'm already home
Hey, I'm already home

I taught 'em 'bout fish scale, they want me to fish for
them
They want me to catch, clean, then cook up a dish for
them
All of this just for them, oh they got a diss for him
They want me to disappear, like it's gon' shit for them
They say that I'm in the way and want me to sit with
them
But what they admitting is, they ain't got shit for him

And really the fact is, we not in the same bracket
Not in the same league, don't shoot at the same
baskets
Don't pay the same taxes, hang with the same bitches
So how am I in the way, what is it I'm missing?

Nigga I been missing, nigga I been gone
The shit that you just witnessing, I been on
And as for the critics, tell me I don't get it
Everybody can tell you how to do it, they never did it

Now these niggas is mad, oh they call me a camel
But I mastered the drought, what the fuck, I'm an
animal
Half man, half mammal, my sign is a Sag
This is just what I planned to do, oh, don't be mad

Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, stop

They want me to go, go
I'm already gone, already
The shit that I'm on, hey
I'm already home

Hey, I'm already home
Hey, I'm already home
Hey, I'm already home

I'm in the Hall already, on the wall already
I'm a work of art, I'm Warhol already
On another level, on another plane already
HOV, I got my own lane already, already

I done cooked up the rock already
So why the fuck can't ya'll get hot already, already
Put your name in the pot already
Niggas compare me to Biggie and Pac already
Like I'm gone already, and I am nigga, I'm already
home, already

If ya'll can't already see
I aint worried about ya'll cause I'm already me, already
Ya, do you already, enough with the complaining boo-
hoo's, already
Eat food, already
Ain't nothing given, you gotta claim your shoes,
already

I'm already at the finish line with the flag waving,
c'mon

Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, stop

They want me to go, go
I'm already gone, already
The shit that I'm on, hey
I'm already home

Hey, I'm already home
Hey, I'm already home

Hey, I'm already home

Oh, they want me to fall, fall
Fall from the top, top
They want me to drop, drop
They want me to stop, no

They want me to go, no
I'm already gone, gone
The shit that I'm on, already
