(feat. Beanie Siegel)

Beenie Mack
Rocafella y'all
Check
Check

A yo two decades, three years and still in order
I done stabbed sticks, killed bricks drowned drops of
water
Ate a million dollars
Shitted four million quarters
Stuck mothers, sisters, aunt, nieces and daughters
Fuck taco bell
I run south of the border
Cop a whole pie and you working wit a quarter
Stay cased up like my man Rhyme Slaughter
Sleep in crack spots on off that water
Y'all scrape up for weed money and grub
Me and my man role in a Benz four dub
On our way to the club
Smoking weed out the jug
While most stay in court trying to plead wit the judge
What!
Fist and wrist stay glittered up
Don pee sip it up to I spit it up
I fuck bitches who bust checks to flood my neck
Give me rough sex
Huff wet
Bust teks
Feds eyeing, like I'm imported that shit
I trying to be cased up in court for that shit
I just want to breeze through sported that shit
Laughing at them point niggaz snorting that shit
Y'all niggaz would never finish that y'all be starting
Never could back up that shit y'all be talking
I make you famous
I put your face on milk cartons
Beenie Mack smoother than Jerome on Martin
I keep the silence on the three eighty loughton
Quiets the bus but can't do shit about this sparking
That's why I get my bodies right before darken

Your dogs ain't biting shit, just doing a lot of barking
Your squads leaking
Fronting like y'all eating
Rent a little car get dress on the weekend
That that Joe shit
You don't know me why you speaking?
Cause I shut down blocks and clock like Puerto Ricans
Beenie Mack rap gorilla
I'm out for the scrilla
Face it ain't no replacement for this killer
