[Jay-Z]

Uh huh yea, yeah

Guru!

You gotta let it bump

Uh, uh, uh like dat yeah

Come on bring the chorus in

1 - I'd risk everything

For one kiss, everything

Yes I'd do anything (Anything?)

Anything for you

I? do a bid, loose a rib, bust a cap, trustin' that

Run up to heaven doors, exchange my life for yours

Leave a steak out the door, mi casa, su casa

Just remember to turn the lights off in the hall

My brother from anotha pop, minus one shot

We Neno and G-Money man, we all we got

From the stoop to the big dudes, stoppin' us from
playin' hoops

And us gettin mad, throwin' rocks off the roof

Straight thuggin' man, I thought we would never
progress

But look at us now man, we're young execs

My nigga Dame, my nigga Biggs, my nigga Tah

My nigga Ja, my nigga Gotti

We embody all that? right with the world

No matter how pretty she is, you never likin' my girl

That's how we run, when you ain? around

I'll spank ya son, keep him in line

If you should die, I'll keep him like mine

God forbid, keep this in mind, my nigga

Repeat 1

Repeat 1

I know mama, your little baby

But these streets raised me crazy

Product of my environment, nothing can save me

Thanks for letting me bloom for your wisdom for your
womb

For the roof over my head, for my shoes, for my bed

For the most important lesson in life was when you said
"Strive for what you believe in, set goals and you can
achieve them"

Thanks for the days you kept me breathing when my
asthma was bad
And my chest was weezin', thanks for the look of love
Just as I was leavin'
On nights you thought that I wouldn't come back
That left you grieving'
Thanks for holdin' down the household when times was
bad
As the man, I apologize for my dad
When the rent was due, you would hustle like a pimp
would do
That wasn't the life meant for you
You're a queen, you deserve the cream
Everything that gleamed, everything that shines
Everything that's mine

Repeat 1

Repeat 1

Check it out, uh, uh
Dear nephews, I'm writing' this with no pen or a pad
And I'm signing it, ya uncle, ya best friend, and ya dad
Don't look back if you fall and you're feeling bad
I'm right there from your cut to when you peelin' the scab
If it comes a time when you ain't feelin' your real dad
Put my face on his body don't wait for nobody
Don't follow no nigga, that's hoe shit man
Stand on your own two, do your shit man
The world is yours
Some girls are nice some girls are whores
Don't listen to your crew
Do what works for you
Standin' back from situations gives you the perfect
view
You see the snakes in the grass and you wait on their
ass
Bite your tongue for no one and whatever is said
Take it how they want, a closed mouth don't get fed,
You know my number when it's code red if you're wrong
my nigga
You're my nephew, fuck it we get it on my lil nigga

Repeat 1 until fade
